Don’t Live a Lie
One day, my son was explaining to his mother that he felt she had lied to him. It was nothing very important, but he wanted to take this opportunity to share how important telling the truth is to him. He explained that he simply tells it like it is in all aspects of his life. But an hour later, we caught him in a lie! Again, it was not about a matter of life and death, but it was a lie. When confronted with his own previous words on how important the telling the truth was to him, he just smiled. Yes, the guilty often have no words of defense.

Jesus said it best in Matthew 5: “Let your ‘yes’ mean ‘yes’ and your ‘no’ mean ‘no.’” He was warning his disciples about false oaths and then instructing them on the fullness of the Hebrew laws. We may try to do what we say and say what we mean, but it can be all too easy to fall short. We call ourselves disciples yet provide evidence to the contrary buy our actions (or lack of them).

Even if we feel that we have lied to no one, we may have lied to ourselves. We portray ourselves as generous, thankful, and loving people, yet fail to answer God’s call in a situation because we perceive the cost to be too great. Jesus did not simply mean for his message to be about two words. He also meant that when you say you are a disciple, make sure you are a disciple as well.

GOOSEL MEDITATION
February 16, 2020 ~ 6th Sunday in Ordinary Time

People are not property. We cannot exchange them at will or simply use them for our own designs and purposes. What does the word “commitment” mean to you? We can begin to understand its meaning by looking at some synonyms: dedication, devotion, allegiance, loyalty, faithfulness, fidelity, and bond. Commitment is primarily about relationship, and Jesus is all about relationships. How our lives affect others, how we treat our brothers and sisters, how we resolve conflict, and how we view the vows of marriage. Jesus’ teachings on obeying the commandments, murder, reconciliation, marriage, divorce, and adultery all stem from the sacredness of commitment. All of this has a God connection.

We can easily see one another as interchangeable and dispensable. We treat so much of our lives this way. What works today may not be what I want tomorrow. We search and search for the right thing only to find our hearts still restless in the end. Is real happiness achievable this side of the grave? Sometimes we expect too much out of others and want our relationships to fill a hole that we must figure out how to fill ourselves. Any seasoned married couple will tell you that their love for one another changes as time passes. Even though the understanding of romance changes as life changes, the dedication, devotion, allegiance, loyalty, faithfulness, and fidelity all remain and even deepen.

Some relationships can be hurtful, and God does not want us to live with abuse or pain. Also, how a relationship develops is sometimes out of our control, and we become the victim of someone else’s decision. But we can’t be self-focused in our relationships and see them exclusively as self-fulfilling ends. We are companions on life’s journey with varying depths of relationships being enjoyed by all who are with us along the way. We have the freedom to choose. God asks us to do so wisely, with right judgment and thinking.

2020 Annual Catholic Appeal—Forms in pew pockets

Please Make Your Gift to the 2020 Catholic Appeal
"You are the Light of the World."

All families in our parish are asked to begin discerning a pledge to the 2020 Annual Catholic Appeal. Please respond as generously as possible when you receive your Annual Catholic Appeal Pledge Form. The Appeal supports Archdiocesan ministries and services including those that are a great help to our parish. For example, Appeal funds support the education and formation of priests to serve in our parish.

This year, the theme of the Appeal is “You are the light of the world”.

As you discern your pledge to the appeal, please note the ministries and services funded, including the ones that directly support the work of our parish. Next weekend, our parish will conduct an in-pew commitment weekend to provide every family the opportunity to participate. Please prayerfully consider a pledge based on your means and circumstances.

**OVERCOMING THE DARKNESS**

We are all aware of the horrific sexual abuse crisis that has haunted our church over the years and especially over the last few weeks. We all grieve the wicked ways our priests have abused children, seminarians and other vulnerable people and we all grieve sexual abuse in families. We know many of us feel, understandably, angry, sad, and demoralized over this scandal, but instead of letting it divide us, our parish has decided to open a conversation to help overcome the darkness that surrounds our Church today.

Recently we made "Letter to a Suffering Church" by Bishop Robert Barron available and hope by now you have had a chance to read it. Bishop Barron has provided clear insight on the crisis and advice on why we should stay in the Church and fight on behalf of those who have suffered so grievously at the hands of their perpetrators.

Most of us are wondering, what should do both as a Church and as an institution to bring about reform and renewal? Can we do anything as individuals to help heal our Church? The first thing we can do is talk as we move towards salving the wounds that divide us. And so we invite you to join a panel discussion on Thurs. March 5, at 7:00 pm as we navigate a brighter future together. Watch for more information.

At the end of our meeting we will be encouraging you to help us continue the healing process by signing up for small-faith discussion groups. We will be guided by Bishop Barron and his video series, and led by facilitators who are skilled listeners. More information on how to sign up for small-faith discussion groups will be available after the panel discussion evening.

**ADVERTISER OF THE WEEK**

St. John’s thanks you for choosing to advertise in our parish bulletin. Because of your generosity, we are able to provide this bulletin free of charge to our members each week. Parishioners, please support these advertisers and mention that you saw their ad in our bulletin.

LIVE THE LITURGY - INSPIRATION FOR THE WEEK
One of the greatest and most necessary gifts God gives us is free will. We always have the ability to choose. Life or death and good or evil are two of the core decisions every human being must make. We can choose to love and choose whether to pursue a relationship with God. True salvation comes when we make the choices that keep us focused on God and God’s commandments. How we view others reveals what choices we have made. People are not property, and they are not dispensable. We cannot exchange them at will or use them for our own self-serving ends. For this reason, God holds high the commitment of marriage and the integrity of all of our relationships. This is the basis of God’s teaching on forgiveness and reconciliation, and the reason adultery is prohibited.

Prayer and Life Workshop (Spanish)
Mondays 7:00pm - 9:00pm, Feb. 3rd - May 26th (15 sessions)
The Prayer and Life Workshops (PLW) is a service that is wholly based on the Word and helps you learn and deepen in the art of prayer. In a workshop one learns by practice and practicing what is learned; in our case, by praying we learn to pray. In the Workshop, we learn to enter into a personal relationship with the Lord through different prayer methods, from the first steps of simple prayer to the heights of contemplation.

By means of a woven pattern of meditations on the Word, intensive prayer, community reflection and silencing exercises, the participants overcome, step by step, their inner anguishes and anxieties, fears and sadness. As a result of deeply living faith and surrender, the participants slowly become filled with a peace never before imagined. Starting from an intense contemplation of the figure of Jesus Christ, the Workshop sends the Christian into a sanctification process to become more like Jesus.

The central focus on each of the 15 sessions is reading and meditating on the Word. During four months, for each day of the week, the participants are given texts from the New and Old Testaments so that they can meditate and pray them in their homes, using the Brief Guidelines to meditate and live the Word.

For more information on the workshop in Spanish, please contact Guadalupe Macias at 405-512-3185 www.tovpil.org

CODA: CO-DEPENDENTS ANONYMOUS

“My journey with CoDA started three years ago when my life was falling apart. To be honest I joined to keep my marriage together but then I saw that I needed to change and not my husband.

I went to meetings then sought out a sponsor and she worked with me (baby steps) and slowly I saw changes in myself and in my relationships. I started believing in the process and believing in God in new and trusting way. I felt like I could breathe for the first time in my life without manipulating others and that I could have a voice.

Through this journey, I have learned how to place some great learning tools in my tool belt. I live for this moment because this is all I have. Tomorrow is a new day so I Let Go and Let God.” ~ Anne B.

You can discern if CoDA is helpful for you any Thursday 6:30 pm at 112 E. 10th Street, a St. John’s meeting room or Saturday 11:00 am at Conversations 119 S. Broadway. Questions: Call or Text Sherry 405-315-7559 or EdmondStudyGroup@gmail.com.
