

## VBS—VACATION BIBLE SCHOOL

The St. John's Elementary Religious Education Program presents Vacation Bible School each summer for a week during June. It is for children who have just completed grades Pre-K through 4<sup>th</sup> and is held from 9:00-11:45 am each day.

### **Commitment:**

VBS is run by faithful individuals with a deep concern for children. Adults, high school and junior high school students are needed each summer to be part of the St. John's Vacation Bible School Team. Small groups, games, snacks, crafts, music and decorations are the areas in which adult and teen support is needed. Whether you help all five days, or only one or two, your support is welcome. Consider being part of this week of fun, faith and friendship!

### **What We Do:**

Present a week long program that provides solid Bible content and Catholic values that will attract children and lead them into a relationship with God and encourage their growth in the Catholic Christian faith.

### **Time and Training Required:**

There will be a series of VBS organizational meetings, in which preparation for VBS will occur as well as a couple of Saturday workdays to make decorations, craft kits, etc. During the week of VBS there is the opportunity to work in one of the stations (ex. Craft, Bible story) or lead a particular grade level group.

### **Helpful Attributes:**

Adults and teens who are excited about sharing their faith during a week of fun, that will include Bible stories, crafts, games, snacks, and singing.
