

Please prayerfully consider adopting a wonderful family from our partner parish in Peru.

Juana Garcia Garcia is a widow.  
Her husband died Nov. 13, 2015.  
She has 3 children:  
Diomely (23) a hotel receptionist  
Iner Edy studies auto mechanics  
Nilber is a special needs child who has a mental disability & does not speak

While she has 1 daughter that works to help the family, she has lost the income of her husband as a moto-taxi driver.

Juana also has a mild mental disability so she most likely cannot work.

Juana takes care of Nilber when he is not at school.

The family lives in the village of Los Polvorines.
